The Statute (sections 27 and 28) requires that the Board, in certain limited circumstances, serve as the court of final appeal within the School.

1. Any member of the teaching or administrative staffs or other employee of the School, suspended, expelled, or otherwise disciplined by the Principal may appeal a suspension, expulsion or other disciplinary action to the Board by providing written notice to the Board within 30 days of the action.
2. Any student suspended, expelled, or otherwise disciplined by the Principal may appeal a suspension, expulsion or other disciplinary action to the Board by providing written notice to the Board within 30 days of the action.
3. The purpose and scope of such appeals shall be solely to determine whether fair and due process has been followed and reasonable judgment has been exercised by the Principal.
4. The Board may confirm or overturn the action of the Principal, or return the matter for reconsideration.
5. The Board will deal with such appeals promptly, and no later than the next scheduled meeting of the Board.
